We the ISEIT INDIA with our Affiliated Trainers presence in all over INDIA for every student in the region to perform the countless tasks in order to converge existing skill training initiatives and combine scale and quality of skilling efforts, with speed.

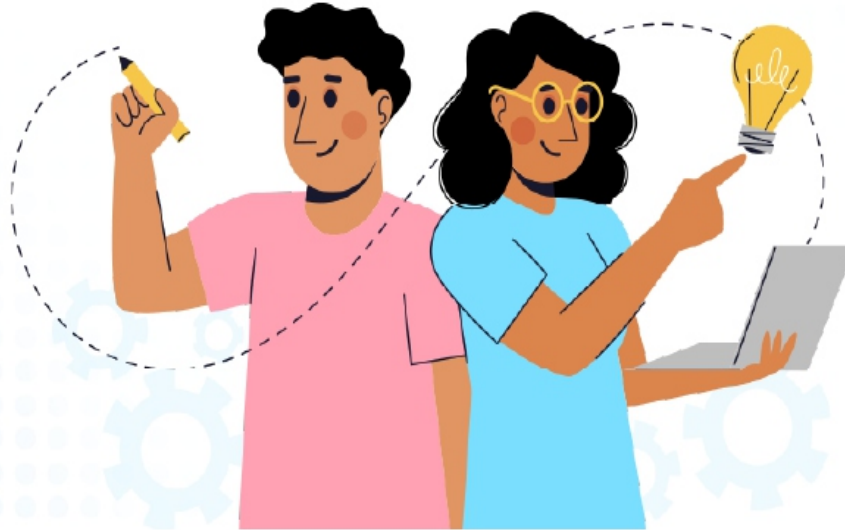

Mission

Our Mission is to encourage youth for self employment and to become successful entrepreneur. Quality education and strong certification of ISEIT will create new openings. To Educate our nation with good skill and certification for Learn & Earn. With these skills of minority, Youth in various modern or traditional skills depending on their qualification and present economic trends and potential one can earn suitable employment or equip them with skills to opt for Self-employment.

Vision

To represent the Educational & Skill Development Trainers across all over in India. Opportunities for all States in India. Establish and enforce nationally acceptable standards for skill training in the country by creating a sound quality assurance framework for skilling, applicable to all States and private training providers. A team of skilled people for the upcoming years to develop our Country. Today, we need to move forward with our high confidence to get Advanced Education. This will be an important step towards recognizing the skills possessed by workers working in the informal sector and their inclusion. This will also facilitate the process of skill upgradation and re-skilling of the existing workforce.

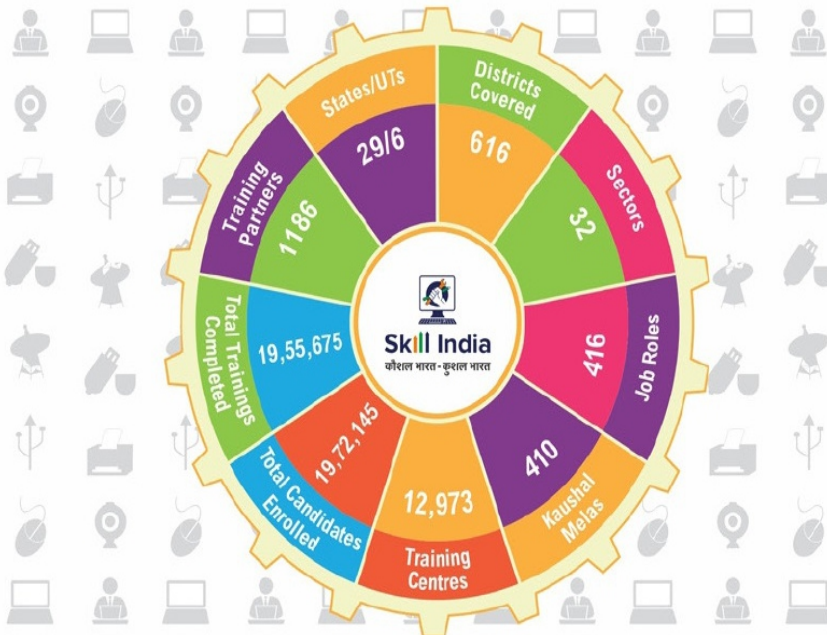

SKILLING INDIA TOGETHER

Skilling India, Transforming India

Skill India
कौशल भारत - कुशल भारत

More than **19,00,000** trainings
under Pradhan Mantri Kaushal Vikas Yojana

Skill development scheme started by the Ministry of Skill Development and Entrepreneurship with an aim to provide skill training to one crore youth from 2016 to 2020. The objective of this Skill Certification Scheme is to enable a large number of Indian youth to take up industry-relevant skill training that will help them in securing a better livelihood. Individuals with prior learning experience or skills will also be assessed and certified under Recognition of Prior Learning (RPL).

34 lakh candidates trained and 10 lakh got jobs under Skill India Mission. In Uttar Pradesh 1,58,053 trained candidates got placements under this scheme. Madhya Pradesh reported 98,971 placements followed by Haryana 96,375, Rajasthan 95,991 and Tamil Nadu 73,231. The overall placement percentage is 30% across India but in the IT/ITeS sector the placement percentage is 47%. This shows that there is a huge scope in the IT/ITeS sector.

“ Skilling is building a better India. If we have to move India towards development then Skill Development should be our mission. ”

Shri Narendra Modi
Prime Minister of India

Career Opportunities

Overview

Beauty has a way of capturing attention. Beauty treatments and fashion trends have always been in trend but today more and more people have become conscious about their looks. With the boom in entertainment industry, and more competition in modeling as well as fashion field, the demand for good looks has come up like never before. This has resulted in a need for professionals to make people look good. Make-up is an art and a make-up artist is a professional artist who uses mediums applied to the skin to transform or enhance the appearance of a person. Make-up artist uses human skin as a canvas and makeup as a medium.

These professionals prepare individuals for appearance in front of cameras or a live audience. They apply makeup and prosthetics for theatrical, television, film, fashion shows, magazines and other similar productions including all aspects of the modeling industry. Individuals who require constant services of these artists include models, film stars, high-profile individuals who are always in the news etc.

Makeup artistry is a creative career with a wide array of possibilities, and successful artists are able to use design skills, experimentation and products to create stunning looks. Makeup artists must keep up with fashion trends and product developments, and have an interest in skin science and beauty. There are two main categories of makeup artist. Fashion artists who prepare fashion models for photo shoots, and theatrical or film makeup artist. While fashion makeup artist work with designers to create a certain look for the model, such as emphasizing lip shape or cheekbones; theatrical or film makeup artist enhances an actor's features to emphasize the character he or she plays in performance art.

Job Outlook

To make successful career as a make-up artist, aspirants need to develop important personality traits. They must have an attractive personality, dexterity, sound health, energy and excellent communication skills to compete in this field. Candidates must also aware of latest fashion trends. Hygiene and cleanliness.

Other qualities such as imagination, creativity and complete knowledge of the cosmetics and other related products have significant role in determining the positive course of makeup. Work in the salon industry is relatively stable, with jobs predicted to grow over the next decade by 14%. Experience is essential to land this kind of job. Makeup artists also get attractive jobs in events like fashion shows, weddings and social gatherings. Good make-up artists are highly sought during these occasions. Beauty parlors, advertising agencies and magazines also recruit make-up artists at high salary.

Experience

Want to know the three-word secret to becoming a great makeup artist? Practice, practice, practice! The more people you try your skills out on, the wider range of skin tone, complexion and face shape you'll have experience of. Creating a portfolio is important when you are applying for jobs for portfolio shots, it's best to use a professional photographer, who will make sure your models look amazing, and your work is displayed to best advantage. Your portfolio should showcase different styles of makeup beauty, experimental, simple and editorial. Other ways to gain experience include working backstage in amateur theatre, or on student film projects.
