The Government of India has taken a number of landmark initiatives. The 'Digital India' program is committed to take the cause of good governance forward, in both letter and spirit. Digital India is viewed as a 'game changer', from the perspective of delivery of pro-citizen good governance, with the synchronized and coordinated engagement of the entire Government.

As one of the most sustainable and dependable arm of ISEIT has endeavored to lead by example through institutionalization of policies and best practices. It has emerged as a key player in training related services. ISEIT courses are already known throughout India for its high standards of quality and these courses are also supported by an unfaltering and holistic system of examination at the national level.

I am happy to note that through proactive use of technology, capacity building and process re-engineering initiatives, ISEIT has made efforts to leverage its capacity and create synergy in the area of training and support services. Also, in tune with the changing times, ISEIT has diversified and spread its wing by expanding its repertoire of activities. Recently, ISEIT has also taken up new capacity building initiatives in the areas of Brain Development Program's, Handwriting Exam's, e-Governance, etc. e-Contents are being developed to usher in a new paradigm of learning.

I would also like to compliment ISEIT for its efforts to standardize its Short Term & Long Terms Courses across all ISEIT Centre's. The Student Support Services have been also upgraded with the introduction of web based services has been institutionalized by ISEIT, which would facilitate the students to seek suitable employment. Such proactive measures are the need of the time and I am happy that ISEIT is introducing such features with the required sensitivity and vibrancy.

I congratulate ISEIT for its endeavor to spread IT literacy and education across the country. The efforts made by ISEIT in implementing various government schemes by scaling up its operations and leveraging its capacities, are praiseworthy.

The integrated ISEIT Website is a welcome step towards uniformity, dynamism and improved services for stakeholders and I wish ISEIT success in its future efforts.

Our Committee has constantly catered to the changing need of the society without compromising on quality and prime focus on educational & research program. In addition to academic programs that cherish our Indian Heritage, the Institute has also stepped into the field of IT-Technology, Vocational Courses, Marketing & Fashion Technology. Our Institute provides the latest state of the infrastructure facilities valuable certificate, exam and educational system. Above All our Committee has a consortium of highly qualified and dedicated teaching faculty, always striving towards building up of a strong theoretical & practical knowledge background among students, which would ultimately enables them to achieve soaring heights in their professional careers. The Various courses will open up number of avenues for student. For higher education in related fields in India.

We wish you all very bright, prosperous and academically rewarding future as students of this 21st Century Educational Organization.

Best Wishes from INSTITUTE OF SKILL EDUCATION AND INFORMATION TECHNOLOGY
